## Come on Down to Collegedale

By President T. W. Walters

MEMORIES are mestimable treasures. "God gave us our memories so that we might ave roses in December." We wish to have you call the rosy memories which you possess of fe on the Southern Missionary College camus back in "the good old days." Today amidst the same familiar surroundings which you now many future memories are now being tade by eager youth who have taken your place. To would enjoy knowing them.

For a gala occasion in the near future your bllege desires to invite you to return to its ralks and its halls on the week end of May 3 and 4 to enjoy an "SMC Homecoming" celebraton. It will provide opportunities to become acquainted with new faces and new developments

n the campus of your college.

Construction will begin on a new home conomics and cafeteria building before the hiddle of April. The dining hall in this unit will seat nearly 400 persons and will afford iners the pleasure of viewing the Collegedale alley through beautiful picture windows. A soom dedicated to use as a student center will

meet a prevailing campus need by providing a social gathering place for youth. The home economics section of the new edifice will satisfy a demand of long standing. Modern food and clothing laboratories, expandable lecture rooms, and applied arts facilities will be functional as well as attractive.

By the time you arrive for "Homecoming" a new campus grade school should be under construction. This development will permit the moving of the academy to the present grade school building and enable the college to become fully of age in filling its place among our senior colleges. The move will prove to be a blessing to Collegedale Academy by giving more independence and a greater flexibility of program to that branch of education.

Yes, you will want to come back home and see at first hand the present and proposed developments since you last viewed Southern Missionary College. A royal welcome awaits you here at your college. Put a circle around the date, May 3-4, and "Come on down to College-

dale."

# What Are You Doing?

TED GRAVES, President, Alumni Association

Someone has well said, "Do SOMETHING even if it's wrong." There is a thrill, a certain pride and joy in being a part of a moving organization. Enthusiasm catches on and inspires others. We believe the something that is being done by your Alumni Association is RIGHT! With college backing, your Alumni Association is coming to life!

A great deal of work and thought is going into the plans for the first homecoming day at our college. No amount of work or thought can make the week end of May 3 and 4 a success, however, unless YOU plan to be present. The program Friday evening is being planned with the idea of inspiring justifiable pride in the achievements of mission service. SMC Alumni who have served in the foreign field will be especially honored. J. F. Ashlock, one of our graduates and a veteran missionary,

will bring the message. Sabbath morning Alumni will hear the authoritative word President T. W. Walters. The music dell ment of the college has taken the task of the viding a thrilling musical program in the ac noon to be followed by a social hour just t sundown. During this hour plans will be to and announced for the future growth of the sociation. In the evening the college band present its Spring Concert.

Have you tried to found an association cu ter in your locality? A chapter with an i and a goal to serve will not die but thrive r prosper. Please don't sit back and say, "Call Step up and say, "Will"! Let us know h problems and how we can help. Organize have at least one representative present at college on May 4 to represent YOUR chae

See you then.

#### CHAPTER ORGANIZATIONS

→HE Alumni Association to survive must have I two things; namely, new members and chapters. We are happy to report that there are two chapters which, with a little effort, can be set into operation again; namely, those of Loma Linda and Washington.

Names have been sent out to areas in which a chapter could be organized. It will be a golden opportunity to renew the acquaintances of school days.

On January 6, twenty-five alumni met at Fine Arts Hall of the college for the purpose of reactivating the headquarters chapter. President Thomas W. Walters and Association President Ted Graves spoke to those assembled. nominating committee's report was adopted unanimously, which placed Donald West in as president of the chapter; Paul Boynton as vicepresident; Bill Hulsey as treasurer; Elmyra Conger as secretary; and Lorene Ausherman as publicity secretary. At the close of the formal part of the meeting, those present were guests of the Association at an informal reception.

Some steps which will assure success for a newly organized chapter are:

1. The adoption of a constitution and bylaws.

- 2. The adoption of a fee for incidental a mailing expenses (50¢ to \$1.00).
- 3. The acceptance of a project, such quota on an Association-wide student fund, of from \$100 to \$200 yearly, cording to the size of the chapter.
- 4. Visitation of the chapter, on invitatio association officers at the expense of college.
- 5. The formulation of a good program is each meeting supported by visual aid

Maybe your area should have a chap Write us if you are interested. We prois help.

## A NEW SMO

DEAN RAY A. UNDERHILL

 $\Gamma^{
m o}$  EACH alumnus and former student, we wish to extend a cordial nvitation to visit SMC this coming chool year. Students and faculty hange, new buildings are erected, et it is still *your* college. You will e interested in the new twentyear plan for campus improvement; which will include new dormitories, church, an auditorium, a home ecoomics-cafeteria-student union buildng, and an elementary school. This verall plan by architects was approved y the college board two months ago. This new plan, dear alumni and

ormer students, will need our fullest upport to build a larger and better MC to be of wider service to the outh of the Southern Union.

We will have an envious record this ear with regard to our faculty. All the teachers with one exception will have either their M.A. or Ph.D. degree. Our faculty is one of whom we may well be proud.

The new members joining the music staff are Professor Milo Hill, Professor Burton L. Jackson, and Mrs. Dorothy E. Ackerman. Miss Thelma Hemme will be joining the Home Economics department. Professor J. M. Ackerman will become our secretary of admissions, and will direct our testing program. Edgar O. Grundset will be assistant professor of biology.

Applications for the fall term number approximately 550. We are, therefore, looking forward to a good year at SMC.

Remember, we will welcome your return to the college of your choice, Southern Missionary College.

## A Word From Our New V.P.

R. C. MIZELLE '50

Were you present at our first Homeoming? I am sure that those of you tho improved this opportunity to reew old acquaintances, tread the halowed halls of the main building, sit the "soft" seats of the renovated hapel, and walk again over the campus f your alma mater found much to emember and inspire you for the ears to come. It was a signal pleasure see all of you again, and to fill in ne news gaps between your graduation and today. Now that you have made a start, won't you make the homecoming an annual pilgrimage?

Featured and honored at our first homecoming were the missionaries who left these doors for areas of service afar. A "book of remembrance" was prepared, and presented by the association to the college to provide for a permanent recording of mission service by our alumni.
